**Please register by July 21 - seating is limited to the first 325 registrants.*

Dr. Jennifer Fix, PharmD - Dr. Fix is an award-winning pharmacist and has been politically active in Texas and Washington, D.C. She completed her doctoral studies at the University of Colorado, and her legacy is her work on the prompt payment of claims to providers. Dr. Fix has provided testimony to Texas Senate committees and visits the Hill in Washington, D.C., every spring on behalf of independent pharmacy. Dr. Fix has participated on the Texas Board of Pharmacy Task Force, is a past president of the Texas Pharmacy Association, and was the 2006 recipient of the American Pharmacists Association Good Government Pharmacist-of-the-Year award.

John R. Wilson, C.I.C. - John Wilson is the market president in the Fort Worth office of Frost Insurance. He was part of the ownership group that sold Agents Insurance to Frost Insurance in 2001. John began his insurance career as a marketing representative in 1983 with Crum and Forester Insurance. His responsibilities were managing the agencies represented by Crum and Forester in the Fort Worth sales office. John has served as Tarrant County President of Independent Insurance Agents, as well as many statewide leadership committees for the Independent Agents of Texas. John is a graduate of the University of Oklahoma with a Bachelor of Business Administration degree.

Cameron Krier, J.D., M.P.H. - Cameron Krier joined the Texas Hospital Association in 2010, and currently serves as senior director of policy analysis. Her responsibilities focus on a variety of health care policy issues, including health information technology, patient safety and quality, and federal regulatory and reimbursement issues. Prior to joining THA, Cameron served as legislative counsel in the office of U.S. Sen. Kay Bailey Hutchison (R-Texas) in Washington, D.C. She has a strong health care background and is a certified emergency medical technician. Cameron holds a bachelor's degree in biology from Texas Christian University in Fort Worth, a law degree from Texas Tech University School of Law in Lubbock with an emphasis in health law, and a master's degree from The University of Texas School of Public Health in Houston.

Gary W. Floyd, MD - Dr. Gary Floyd is the executive vice president and chief medical officer of medical affairs at JPS Health Network. Dr. Floyd previously served as Cook Children's director of urgent care and public policy. He served on JPS Board of Managers for more than two years, and was also the president of the Tarrant County Medical Society. Gary has been practicing medicine in Fort Worth for 20 years and is well respected on both the state and national levels for his work. He received his medical degree from UTMB in Galveston and is certified by the American Board of Pediatrics.
